Dedication

In deep appreciation, the Senior Class of 1960 dedicates its thirty-fourth edition of the *Calvertana* to Reverend Benedict E. Ringholz, our religion instructor, adviser, and friend.

In our freshman and junior years Father Ringholz was responsible for instilling in us the true meaning of our faith. This thorough preparation for the present and future will stand as a guide to us in everything we do.

Throughout our four years at Calvert Father Ringholz has actively worked with us to enkindle school spirit. We remember our junior prom — just one example of his untiring efforts and willing generosity. Not only in the actual decorating, but in the fall and winter work of raising funds by special projects, Father contributed his time and talents for our benefit. His ability to organize was also shown in the well-managed Pep Squad.

In his capacity as Calvert's assistant principal Father Ringholz is always available to help us with our problems, both scholastic and personal. He has always been a friend to us as well as a superior, and through this dedication we wish to show at least a part of our gratitude to him for his patience and constant effort.

Alumni Report

Mr. Salvatore Granata
President

As in the past, the Calvert Alumni Association, under the direction of Sister Charlotte, now having two thousand, one hundred thirty-six members, has been guided by a threefold program which includes the spiritual, cultural, and social outlooks.

First and foremost, the spiritual aspect has shown itself in the recitation of the rosary for deceased members, an activity in which alumni members have shown a greater interest; and in the continued offering of a stipend in the name of the Alumni Association for a Mass for deceased members. Following tradition, the officers, on behalf of the alumni, have remembered the Ursuline Nuns and the priests at Christmas time.

Showing a greater interest in the cultural outlook, the association has participated in the school library program to the extent that it has aided in expanding the filing system into an indexed Activities Book. A new project, the revision of the constitution of the Alumni Association has recently been completed.

One high light of the social side of the program was the annual Alumni dance held in August of last year. The culmination of the year's program is a day of reunion which includes the Class of '35's Silver Anniversary.
